

# Automatic Question Generation

---

1 ) T

Answer : a base , sugar , and phosphate

2 ) T

Answer : a base

3 ) T

Answer : sugar

4 ) T

Answer : phosphate

5 ) T

Answer : a nucleotide

6 ) \_

Answer : Each base

7 ) E

Answer : a sugar molecule and a phosphate molecule

8 ) E

Answer : a sugar molecule

# Automatic Question Generation

---

9 ) E

Answer : a phosphate molecule

10 ) N

Answer : Nearly every cell in a person 's body

11 ) \_

Answer : Nearly every cell

12 ) N

Answer : a person 's body

13 ) N

Answer : a person 's

14 ) N

Answer : the same DNA

15 ) \_

Answer : An important property of DNA

16 ) \_

Answer : An important property

# Automatic Question Generation

---

17 ) A

Answer : DNA

18 ) A

Answer : it

19 ) A

Answer : copies of itself

20 ) A

Answer : copies

21 ) A

Answer : itself

22 ) \_

Answer : Nucleotides

23 ) N

Answer : two long strands that form a spiral called a double helix

24 ) N

Answer : two long strands

# Automatic Question Generation

---

25 ) N

Answer : a spiral

26 ) N

Answer : a double helix
